

An Information seminar about the Falling Walls Lab Wroclaw 2019 will be held in the Wroclaw University of Technology on Monday 27 May at 4pm, Room 241 (Senat Hall) in the Main Building (A-1).

Prof. David Blaschke (University of Wroclaw) will give background information about this format, experience with previous Labs and how to apply. Dr. Jakub Jankowski, a former winner of the FWL Wroclaw will give a first hand experience and both will answer questions from the audience.

All interested people are kindly invited to attend this event.
